

***State of Washington
Department of Transportation
Notice to Consultants
On-Call Geophysical Services***

The Washington State Department of Transportation (WSDOT) solicits interest from consulting firms who wish to be considered to provide Statewide On-Call Geophysical Services. WSDOT will award one (1) agreement for approximately \$300,000.00.

As a result of close scores and an increase of work due to the nickel package increase, both firms were selected.

Firm(s) Selected:
